Hair Cutting At Singapore Christian Home For The Aged

On November 10, 2012 the Moulmein Novena Neighbourhood Committee (MNNC) arranged hair-cutting for the edlerly residents at the Singapre Christian Home. Haircuts were done for around 45 elderly residents.

The Singapore Christian Home staff were very thankful and grateful to the members and the hair-cutting volunteers for their dedicated services and support for the Home.

We would like to thank all the members and the hair-cutting volunteers who had contributed their time and shared their cheers with the residents.
