## G4S Singapore Celebrates Lunar New year

**G4S Singapore team visited the Singapore Christian Home for the Aged, located at 20 Sembawang Crescent on Friday, 17 February 2014, where 191 aged citizens are housed**

In celebration of the Lunar New Year, a buffet lunch spread and Table Bingo Games were organized for these aged seniors.

The Singapore Christian Home was founded 54 years ago, previously located at 70 Jalan Tan Tock Seng. It was relocated to the current new building at Sembawang, where these elderly residents can enjoy their "Golden Years" with dignity. It is really heart-warming to know that the Home's Vision is a place where staff served with love and pride and residents call it their home.

The Aged Home's executives of Community Partnership, Ms Goh Yiqing and Ms Shane Lim warmly welcomed the G4S team. We started with Table Bingo Games. Excitement and fun rubbed off amongst these seniors with happy smiles flashed whilst our volunteers kept a look-out on their Bingo cards.

Packets of biscuits and packet drinks were distributed to "Bingo" winners. When the game finally came to an end and the excitement began to ebb away, volunteers started to serve hot drinks followed by lunch. It was a real pleasure to see them enjoying the food. Last but not least, mandarin oranges were distributed to the residents.

"With our aim to contribute back to the community in diverse ways, it was indeed a fulfilling experience. Many staff members were inspired after the event to volunteer themselves in other charity activities. We trust that this corporate social responsibility project will have an encouraging and positive impact on society," said Samuel Tso, Managing Director, G4S Singapore.
