IVD 2013 was off to a heartwarming start last Thursday, with the first Satellite Appreciation Event being held by Singapore Christian Home. As an expression of thanks, the Home put together a simple meal for their volunteer group, the Loving Sisters, who have been volunteering with the home for nearly 20 years. Some even as far back as when the home started 50 years ago!

The Home also surprised the Sisters with a small gift - potted plants with thank you cards coloured in by their beneficiaries.

From the bottom of all our hearts, thank you Loving Sisters! Long-term volunteers are hard to come by, much less those who have stuck with us for decades :)
